

# APPLICATION FORM

- The **BALTIC BIOGAS FORUM** will cover the topics related to the **use of biomass** (including agricultural biomass and/or biodegradable municipal waste) for energy generation through the application of biogas technologies, especially when integrated with co-generation systems;
- The event will create **an excellent opportunity to establish business networking** in terms of cooperation in preparation and/or implementation of investment;

We invite you kindly to participate in the BALTIC BIOGAS FORUM.

More information about this event can be found at

Advanced Technologies  
for Energy Production

**Baltic Eco-Energy Cluster**  
**The Szewalski Institute of Fluid-Flow Machinery, Polish Academy of Sciences**  
**University of Warmia and Mazury**  
**Koszalin University of Technology**  
**Gdansk University of Technology**  
**POMCERT**  
**Gdansk Higher School**  
**IMPLASER**

*invite you to participate in*

**BALTIC  
 BIOGAS FORUM**  
**17th-18th SEPTEMBER 2012**

[www.imp.gda.pl](http://www.imp.gda.pl)

## INVITATION TO PARTICIPATE IN THE BIOGAS FORUM

The main goal of the meetings is to enable networking, cooperation and exchange of experiences among the actors of the renewable energies market, with a special focus on biogas technologies. The planned presentations will include those related to the research carried out within:

NCBiR Strategic Programme, Research Task No. 4, "*Elaboration of Integrated Technologies for the Production of Fuels and Energy from Biomass as well as from Agricultural and other Waste Materials*"

POIG.01.01.02-00-016/08 key project "*Model agroenergy complexes as an example of distributed cogeneration based on local renewable energy sources*"

**Baltic Biogas Forum will be held in the Institute of Fluid Flow Machinery, Polish Academy of Sciences in Gdansk on 17th-18th September 2012.**

BIOGAS FORUM is organized by Baltic Eco-Energy Cluster (BEEC), which is coordinated and officially represented by the Szewalski Institute of Fluid-Flow Machinery of Polish Academy of Sciences in Gdansk. Co-organizers are the BEEC participants.

The event is organized under the honorary patronage of the **Marshal of Pomorskie Voivodeship**

Speakers will represent both business environment as well as academic perspective of local scientific institutions and other national and international centres.

## DRAFT AGENDA

### Monday, September 17, 2012

- substrates for Biogas
- maintenance of biomass, pretreatment, fermentation process, postferment and biogas utilization,
- biogas technologies.

### Tuesday, September 18, 2012

- presentations of manufacturers
- energy and economy assessment of the biogas plant
- seminar with participation of local authorities.

Oral and poster presentations are planned. Conference materials will be published.

**The presentations should be sent to the Forum Office until 30 July 2012**

The cost of the two-day conference is 500 PLN. The fee includes lunches served on both days, refreshments during the breaks and conference materials.)

The registration forms should be send to:

IMPLASER, 80-952 Gdańsk, Fiszera 14.  
fax. +48 58 341 61 44,  
phone +48 58 6995 329, +48 58 6995 276
